An interior designer crafting meaningful and user-centric spaces, where thoughtful storytelling quietly shapes every experience.

Work Experience

07/2024 to 07/2025

Junior Interior Designer Architheque, Mumbai, India

- Worked on residential villas, a wedding destination hotel and a cruise-based casino, delivering layout planning, furniture layouts, technical drawings and 2D/3D visualizations.
- Collaborated with architects and project managers to develop design concepts, client presentations and execution-ready documentation.

05/2023 to 11/2023

Intern Atlas Industry Projects, Mumbai, India

Experience Centre for upGrad and Office Renovation for Alvarez & Marsal

- Designed a user-centric layout for upGrad's experience center, integrating counseling zones and immersive technologies and presented designs to upGrad's CEO.
- Designed a convertible nap room and upgraded office spaces for Alvarez & Marsal, while developing BOQs and MOMs to support material specification and client communication.

06/2022 to 06/2023

Intern Kiran Shetty Design Studio, Mumbai, India

- Created technical drawings for residential projects in Mumbai, developed mood boards and product selections and conducted site measurements.

06/2021 to 06/2022

Intern White Water Design Studio, Mumbai, India

- Created mood boards, produced detailed 2D sectional views in Photoshop and collaborated with contractors on-site to gain practical insights.

Achievements

Notable Presentations :

- Presented a Speculative Design Project to Tim Cook, CEO of Apple and Bob Borchers, VP Worldwide Product Marketing, Apple (2024).
- Presented final year thesis project to Niranjani Hiranandani, Managing Director of Hiranandani Group (2024).

Entrepreneurial Experience :

- Co-founded and operated a small business specializing in handmade soaps, candles, lip glosses, tufted coasters and table mats.

Athletic Achievements :

- National Level Karate competitor.
- State Level Volleyball player.

Additional Projects

Sukoon: Bharat Flooring Tiles x Terravida Experience Centre (2024)

- Developed an experience center focused on "Sukoon" (calmness) using products from BFT and Terra Vida.
- Aimed to honor the craftsmanship of the karighars (labourers) by creating a sensorial experience.

Anidra: Spatial Designing for a Game (2024)

- Conceptualized a game inspired by the comic novel Bubble, re-imagining a city based in Mumbai.
- Focused on spatial awareness and utilization to enhance player experience, crafting environments that evoke a range of emotions from an interior designer's perspective.
